**3 STEP SERVICE
PROCESS** Quick, easy
and offers **complete
protection** for your
service personnel.

1 | Open door, tear off liner and remove waste

2 | Pull down new liner and tie a knot

3 | Tuck liner into cavity and close door

Inspirational design inside+out

Contemporary slim-line form
complements all washroom décor.

Opening simplifies the unobstructed
posting of waste. Minimises sight into
the unit. Discourages disposal of
general rubbish.

No modesty tray eliminates unsightly
surfaces and potential trapping
of sanitary waste. 100% capacity.

Proprietary liner cassette – simple
to install, clean and service.

Compact wall-mounted design:
greater utilisation of washroom
space; ease of cleaning under
and around unit.

Ergonomically accessible from
both standing and sitting positions.

Discreet locking mechanism
minimises tampering and spillages
in cubicles.

No harmful sharp edges and no
exposure to waste – protects
cleaners when servicing.

No more toilet blockages or
expensive plumbing call outs.

Pod™ Petite Liner Cassette

- Easy to install and service, the liner cassette offers complete protection for service personnel with zero exposure to waste.
- The continuous liner is perforated and gently scented.
- Liners are flexible, strong, tear-resistant and made with 20% recycled materials. Formed from biodegradable plastic, they will degrade and disappear in a short timescale (1-5 years) leaving no fragments, no methane, and no harmful residues.
- Pod™ Petite – the simple, smart, safer choice for your washroom and the environment.
