## Providing cleaning supplies solution throughout Australia for over 25 years

### THE RAPIDCLEAN STORY

Established for over 25 years, RapidClean is a national organisation represented by over 40 stores. Collectively our group turns over in excess of \$90M per year, employs over 150 people and has over 100 vehicles on the road. Our business is made up of cleaning supply experts operating their own stores. RapidClean's aim is to provide our customers with the support of a national organisation while providing a local service, offering a single sourcing, cost effective "one stop shop" solution. RapidClean offers one national point of contact, centralised billing, product selection chosen by head office, supported by fixed & consistent pricing on identical products, nationally across our entire range. Our stores stock all the major brands of industrial, commercial and environmentally friendly (rECOgnised & GECA) cleaning products and accessories. We can also supply paper products that are HACCP & FSC approved. Furthermore we provide equipment, repairs, spare parts, service, consumables, floor care, packaging, safety gear, matting, waste bins, bin liners, gloves, insecticides, cleaning cloths, brush ware, janitorial & washroom supplies.

### RAPIDCLEAN SUPPLIERS

26 preferred suppliers provide products and services to our stores. Major brands such as 3M, Australian Safety Wholesalers, Cleanstar, Clayton Engineering, Davidson Washroom, DEB, Royal Touch, Oates, Ecolab, Edco, Food Packaging Australia, Hako, Intervac, Diversey, Kenware, Nilfisk, Pacific National Industries, Pall Mall, Rosche, Rubbermaid, Sabco, SCA Hygiene, Septone, Tailored Packaging, Tasman Chemicals and Total Dispensing Solutions are all preferred suppliers. This is complimented by our own range of commercial quality, cost effective, RapidClean branded products.

Our specialist stores are able to provide and install (free on loan) dispensing equipment for paper and cleaning products, which deliver manual handling, dilution & cost saving solutions. We can “Custom Design” systems that cover product use in General, Food, Laundry, Sanitation, Hand Care, Washroom and Maintenance Cleaning. These can all be accurately dosed through our Chemical Management System. Our customers have access to all the latest technical bulletin’s and data sheets. These are easily accessible through our website or they can be collated and presented to each facility and site. MSDS, Product Information Sheets, Risk Assessments, Stock Inventory & Register’s, Wall Charts, Product & OH&S Training Manuals, Chemical Cleaning Procedures & Schedule Manuals are all available to our customers. They also have access to an online Cleaning Induction Training Course certified by the Lennox Institute.

### WHY RAPIDCLEAN?

Our customers benefit from having one national point of contact, improved supply chain, selecting their product range at head office and negotiate a price utilising their collated buying power. This is complimented by their site staff working with our specialised local cleaning supply stores who actually know what’s in the box.
